By signing this application I/We agree that the Woodlake at Kings Grant Condominium Association Inc. cannot and will not be held responsible for loss or damage to the boat or kayak stored on the community rack. We acknowledge and agree to be mindful that the unit owners in the vicinity of the storage racks are entitled to quiet and respectful behavior while using the common areas to and from the racks to the lake. We agree to remove any trash that we may have created and to be especially careful of the temporary geese fencing when placing or removing our boat at the lakefront. We understand that the permit is valid from May 01 to April 30 of the following year and that if rack-space goes to a lottery system because of limited space, we agree to remove the boat prior to May 01 if we are not a successful lottery applicant for the coming season.
